WEATHER

The weather factors to consider with Ylang Ylang is the wet season from November till March and trade winds blowing on-shore peaking in July. EOs are advised to consider these conditions and plan accordingly for events.

It is a compulsory to use a marquee or a tent during the rainy season months in Bali (November – March). This will be the backup plan as the villa do not offer indoor space to accommodate the guests, especially when it involves a larger group.

The tent needs to have clear plastic sides curtains and a proper flooring. A professional vendor is required to ensure the quality of the structure follow EH standards. A list of approved vendors can be proposed.

EVENT FACILITIES

KITCHEN AND BAR

The kitchen in the villa is not suitable for events but caterers may set up a satellite kitchen in the car park. Caterers must also apply their own freestanding bar for events.

PARKING AND ACCESS

The parking area is to be kept free for guests' arrivals and departure (drop off and pick up only). This means that there is no parking on site for EOs or suppliers. Vehicles are permitted for one hour period for loading but should be off site at least one hour prior to the event. Guests should be encouraged to use drivers for events at YlangYlang as there is no taxi stand nearby.

GUEST BATHROOMS

There is one public bathroom attached to the living room. It is recommended that one bedroom toilet is made available to guests. It is the responsibility of the EO and the guests to ensure belongings in the bedrooms that remain open are stored safely.

REGULATIONS AND RESTRICTIONS

The living room is available for welcome drinks but may not be used as a main event space.

No staging should be built into or over the pool. Floating bamboo and foam structures for candles and flowers are permitted however they should be removed by the EO by 1 am or as soon as guests enter pool in order to avoid any damage to the pool.

Marquees must be freestanding. Flooring is allowed but we request that this is done on the day of the event only so as to limit damage to grass.

Fireworks and/or Thai wishing lanterns are strictly forbidden.
