WEATHER

April through to December offers ideal conditions for any event at Villa Manis. EOs are advised to consider rainy season conditions (November until March) and plan accordingly for events.

It is a compulsory to use a marquee or a tent during the rainy season months in Bali (November – March). This will be the backup plan as the villa do not offer indoor space to accommodate the guests, especially when it involves a larger group.

The tent needs to have clear plastic sides curtains and a proper flooring. A professional vendor is required to ensure the quality of the structure follow EH standards.
A list of approved vendors can be proposed.

EVENT SPACE

The villa's front lawn can be used for welcome cocktails and canapés. The veranda or the terrazzo deck around the swimming pool make perfect locations for hosting an unforgettable ceremony.

EVENT FACILITIES

KITCHEN AND BAR

Caterers should set up their satellite kitchen behind the villa's staff quarters.

There is a bar in the pool house that may be facilitated for events; caterers must, however, use a suitable waterproof covering to protect the surface of the bar.

GUEST WASHROOMS

There is one guest washroom located next to the media room and a second one under the staircase in the pool house living area; both may be facilitated for event guests. It is the responsibility of the EO to ensure the cleanliness of the bathrooms during events.

PARKING

The parking area is to be kept free for guests' arrivals and departures (drop off and pick up). This means that there is no parking on site for EOs or suppliers. Vehicles are permitted for a one-hour period for loading but should be off site at least one hour prior to the event. Guests should be encouraged to use drivers or taxis for events at Villa Manis.

REGULATIONS AND RESTRICTIONS

Furniture in the lounge can be removed if necessary, however this space should not be used as a dance floor.

The dining room must not be used as an event space; the furniture in this area should not be moved or removed.

Swimming pool staging is not permitted. Floating bamboo and foam structures for candles and flowers are allowed, however, EOs should ensure their removal by 1am or as soon as guests enter the pool in order to avoid any damage or injury.

Fireworks and the release of Thai wishing lanterns are strictly forbidden.
