

INTRODUCTION

Set in the lush Canggu countryside, with five bedrooms plus a kids' bunkroom, spacious grounds and backdrop of emerald terraced rice fields, this villa offers a classic Balinese events venue. The sheer spaciousness of both the villa and grounds, coupled with the gorgeous setting of the pool and the manicured gardens edged by river, rainforest and working rice fields, makes Villa Puri Bawana an ideal venue for romantic weddings and other special celebrations for up to 100 guests.

WEATHER

April through to October offers ideal conditions for any event at Villa Puri Bawana. There is no covered event space at the villa so EOs are advised to consider rainy season conditions (November until March) and plan accordingly for events.

It is a compulsory to use a marquee or a tent during the rainy season months in Bali (November – March). This will be the backup plan as the villa do not offer indoor space to accommodate the guests, especially when it involves a larger group.

The tent needs to have clear plastic sides curtains and a proper flooring. A professional vendor is required to ensure the quality of the structure follow EH standards. A list of approved vendors can be proposed.

EVENT SPACE

What could be more exotic than making your wedding vows among the gentle curves of Villa Puri Bawana's verdant rice terraces, or more exotic than a moonlit reception overlooking the villa's tropical gardens and 30-metre pool, fringed by gracious, thatch-roofed pavilions? The stunning setting, lush gardens and terraces makes this a beautiful location to host your special event.

EVENT FACILITIES

KITCHEN AND BAR

The villa's kitchen is not available for event use, however caterers may set up a satellite kitchen (which should be under cover and screened from view) directly behind this kitchen.

There is no bar for event use so caterers must supply freestanding bars. These bars are to be positioned on the paved or decked areas and are not permitted to stand on the lawn.

GUEST WASHROOMS

Bathrooms in the bedrooms are not recommended for public use and the bedrooms should be kept locked during events. There are two washrooms in the villa available for public use. It is the responsibility of the EO to ensure the cleanliness of these washrooms during events.

PARKING

The parking area is to be kept free for guests' arrivals and departures (drop off and pick up). This means that there is no parking on site for EOs or suppliers. Vehicles are permitted for a one-hour period for loading but should be off site at least one hour prior to the event. The road outside the villa is a high traffic zone and we ask all vendors to be aware of other motorists when unloading their vehicles. We also request that you don't park either side of the driveway because it blocks the view to oncoming traffic for vehicles exiting the villa.

Guests should be encouraged to use drivers or taxis for events at Villa Puri Bawana.

REGULATIONS AND RESTRICTIONS

The main living room is an ideal area for welcome drinks and sunset cocktails. The furniture in this room can be removed but must be covered and stored to the villa manager's satisfaction.

Marquees must be freestanding. Flooring is allowed but we request that this is done on the day of the event itself so as to limit potential damage to the grass.

No staging is to be built into or over the pool. Floating bamboo and foam structures for candles and flowers are allowed, however, EOs should ensure their removal by 1am or as soon as guests enter the pool in order to avoid any damage or injury.

Fireworks, Thai wishing lanterns and/or the release of balloons are strictly forbidden.

Please note: The number of events at Villa Puri Bawana is strictly limited to five functions per year and no more than two functions in any one month.
