WEATHER

April through to October offers ideal conditions for any event at Villa Seascape. EOs are advised to consider rainy season conditions and plan accordingly for events.

It is a compulsory to use a marquee or a tent during the rainy season months in Bali/Nusa Lembongan (November – March). This will be the backup plan as the villa do not offer indoor space to accommodate the guests, especially when it involves a larger group.

The tent needs to have clear plastic sides curtains and a proper flooring. A professional vendor is required to ensure the quality of the structure follow EH standards. A list of approved vendors can be proposed.

EVENT FACILITIES

KITCHEN AND BAR

The villa's kitchen must not be used during an event; therefore, caterers must set up satellite kitchen in front garden of the cottage guest suite and set up a marquee to cover the area or using partition to block the view. There is bar by the pool available for events at the villa, caterers should take care to protect the surface of the villa's bar by using mats to minimize damage.

GUEST WASHROOMS

There are two guest's washrooms available for use, one near the villa entrance and another one by the pool area. It is the responsibility of the EO to ensure the cleanliness of the washrooms during the events.

PARKING AND ACCESS

The parking area is to be kept free for guests' arrival and departure (drop-off and pick-up only). This means that there is no parking on site for EOs or suppliers. Vehicles are permitted for a one-hour period for loading but should be off-site at least one hour prior to the event. Guests should be encouraged to use shuttle which can be organized by the villa staff or EO's.

REGULATIONS AND RESTRICTIONS

The living room is ideal to welcome guests to the villa and it is perfect for welcome drinks but should not be used as an event space. The furniture inside the living room should not be moved or removed.

Ceremonies can take place on the beach in front of the villa, this arrangement will be depending on the low tide that day. Or another option is having the ceremony at the front lawn with only bridal party standing and the guests can be arranged to sit down at the pool deck area.

After ceremony cocktail party can take place along the pool area or at the pool deck and this space also can be used as entertainment space and dancing area for after party.

Staging over the pool is not permitted. Floating bamboo and foam structures for candles and flowers are permitted however they should be removed by the EO by 1am or as soon as guests enter the pool in order to avoid any damage or injury.

No glasses are allowed into the pool, if guests would like to take their drinks into the swimming pool; the Event Organizer must provide plastic cups/flutes.

Fireworks, balloon release, and Thai wishing lanterns are strictly forbidden.

Marquees must be freestanding. A dance floor may be built at the lawn area, but it must have a raised platform to minimize damage to the grass and need to be set up on the day of the event.
