

TIRTHA BAYU ESTATE EVENT GUIDELINES

ELITE HAVENS

Introduction

Nestled in the village of Cemagi, between beach and boundless rice fields, Tirtha Bayu Estate is a wonderfully romantic spot to host your destination wedding.

Tirtha Bayu Estate takes its name from the sacred waters of the Indian Ocean and the life-giving winds of Bali's highland. Tirtha in ancient sanskrit means Sacred Water. Bayu traditionally means 'Wind that gave life,' as this was Bayu's gift to the creation of the world according to Bali Hindu lore.

The estate consists of two stunning villas: Tirtha Bayu I is a six-bedroom property and Tirtha Bayu II, a five-bedroom villa with breath-taking ocean views. Together, the estate is a stunning location for weddings of up to 150 guests, with stunning photos guaranteed.

These guidelines are intended to give Event Organisers (EOs) and their clients guidance specific to Tirtha Bayu Estate and should be read in conjunction with Elite Havens General Guidelines for Event Management.

Weather

Generally, April through to October offers good weather conditions for any event at Tirtha Bayu Estate however due to recent global weather changes, we strongly advised EOs and guests to consider wet weather conditions and plan accordingly for events during the whole year. Reviewing weather forecasts closer to the wedding day is a MUST during any time of the year, as the villa has no wet weather back up OR big indoor space to accommodate the guests, especially when it involves a larger group.

It is compulsory to use a marquee or a tent on rainy days, throughout the year, and special pre-planning will be required for the rainy season months in Bali (due to a high demand for marquees or tents) which normally runs from November – March (subject to change). The marquee or tent must be freestanding and needs to have clear plastic sides curtains and a proper flooring. A professional vendor is required to ensure the quality of the structure follow EH standards. A list of approved vendors can be proposed.

There are two guest's washrooms available. One is located inside the villa's main living room and another is attached to the dining bale at Villa II. When booking Villa I only, one public toilet is available next to the gym area. It is the responsibility of the EO to ensure the cleanliness of the washrooms during events.
