

INTRODUCTION

With its manicured gardens and magical water features, five-bedroomed Villa Asta is a romantic setting for intimate weddings and special celebrations. A spectacular free-form swimming pool sits at the heart of this family-friendly villa, and facilities include a badminton court and a games room with pool table and table tennis. A two-bedroom master wing with plunge pool sits to one end of the estate, alongside open-sided living and dining pavilions and a two-storey balé. Batubelig Beach is a few minutes' walk away whilst Seminyak's attractions may be reached by taxi in five minutes.

WEATHER

April through to October offers ideal conditions for any event at Villa Asta. EOs are advised to consider rainy season conditions (November until March) and plan accordingly for events.

It is a compulsory to use a marquee or a tent during the rainy season months in Bali (November – March). This will be the backup plan as the villa do not offer indoor space to accommodate the guests, especially when it involves a larger group.

The tent needs to have clear plastic sides curtains and a proper flooring. A professional vendor is required to ensure the quality of the structure follow EH standards. A list of approved vendors can be proposed.

EVENT SPACE

The lawns are ideal for ceremonies and alfresco dining. Ceremonies under the ancient poolside frangipani trees, candlelit banquets on the lawn, ballroom dancing in the koi-pond pavilions – this is the perfect venue for up to 80 guests. The villa team has considerable experience in running upscale events with confidence and panache, and the gardens provide many delightful photo-ops for capturing enchanting memories to last a lifetime.

EVENT FACILITIES

KITCHEN AND BAR

Caterers should set up their satellite kitchen by the staff area.

There is a bar next to the villa's dining pavilion that may be used for events, however EOs are encouraged to place mats or covers to protect its surface.

GUEST WASHROOMS

There are two bathrooms available for guest use; one is attached to the media room and the other just off the main living room (by the villa's front entrance). The bedroom ensembles should not be used by event guests; we recommend bedrooms be kept locked during the

course of any given event. It is the responsibility of the EO to ensure the cleanliness of the washrooms during events.

PARKING

The parking area is to be kept free for guests' arrival and departure (drop-off and pick-up only). This means that there is no parking on site for EOs or suppliers. Vehicles are permitted for a one hour period for loading but should be off-site at least one hour prior to the event. Guests should be encouraged to use drivers or taxis for events at Villa Asta.

REGULATIONS AND RESTRICTIONS

Furniture in the living room can be removed if necessary, however this space must not be used as a dance floor. The dining pavilion should not be used as an event space; the furniture in this area must not be moved or removed.

Staging is not permitted in or over the swimming pool. Floating bamboo and foam structures for candles and flowers are permitted, however they should be removed by the EO by 1am or as soon as guests enter the pool in order to avoid any damage or injury.
