

Villa Kalimaya

INTRODUCTION

Villa Kalimaya is a collection of four luxury villas, which may be rented separately or in combination to offer a total of 12 bedrooms (plus an additional room). Events may only be held at Villa Kalimaya I (the largest villa, with five bedrooms) yet the neighbouring villas in the complex are ideal for accommodating event guests. Villa Kalimaya I is a fabulous venue for events as it offers a captivating blend of luxury, recreation and privacy within a sprawling tropical garden. The villa also boasts one of the best and most convenient locations Bali has to offer – tucked down a little lane close to the best beaches and hippest bars within the ultra-chic shopping district of Seminyak.

These guidelines are intended to give Event Organisers (EOs) and their clients guidance specific to Villa Kalimaya and should be read in conjunction with [Elite Havens General Guidelines for Event Management](#).

WEATHER

April through to October offers ideal conditions for any event at Villa Kalimaya. EOs are advised to consider rainy season conditions (November until March) and plan accordingly for events.

It is a compulsory to use a marquee or a tent during the rainy season months in Bali (November – March). This will be the backup plan as the villa do not offer indoor space to accommodate the guests, especially when it involves a larger group.

The tent needs to have clear plastic sides curtains and a proper flooring. A professional vendor is required to ensure the quality of the structure follow EH standards. A list of approved vendors can be proposed.

EVENT SPACE

Five-bedroomed Villa Kalimaya I is a true oasis set within a sprawling tropical Balinese garden, which presents the perfect setting for weddings, parties and other special events.

EVENT FACILITIES

KITCHEN AND BAR

The villa's kitchen is not available for events. However, vendors can install a satellite kitchen in the staff area nearby which offers easy access to the kitchen where plating (no cooking) is permitted.

There is a bar near the pool area which may be used for events, however EOs are strongly advised to protect the surfaces with mats to minimise damage.

GUEST WASHROOMS

We don't recommend the bathrooms in the bedrooms be kept open for use during events, and advise bedrooms to be kept locked. There are two guest washrooms available; one is located next to the relaxing balé near the pool, and a second one is near the living room. The EO is responsible for ensuring the cleanliness of the washrooms during events.

PARKING

The parking area is to be kept free for guests' arrivals and departures (drop off and pick up). This means that there is no parking on site for EOs or suppliers. Vehicles are permitted for a one-hour period for loading but should be off site at least one hour prior to the event. We recommend guests make use of drivers or taxis when attending events at Villa Kalimaya.

REGULATIONS AND RESTRICTIONS

The pool (dining) balé is an idea venue for welcome drinks and/or after ceremony cocktails. There is a long table inside this balé that can be removed if necessary.

The living room is not to be used as an event space and its furniture must not be removed. Furniture in the (indoor) dining room can be moved, however this area should not be considered as an event place either.

Marquees must be freestanding. Staging is permitted over the pool, however a site plan must be submitted a minimum of 45 days in advance of the event for approval. Floating bamboo and foam structures for candles and flowers are permitted, however the EO should ensure their removal by 1am or as soon as guests enter the pool in order to avoid any damage or injury.

Fireworks and the release of Thai wishing lanterns are strictly forbidden.

Due to the villa's residential location, we suggest EOs plan accordingly when it comes to noise and amplified sound, and follow the villa manager's instructions in regards to the music curfew at all times. Acoustic bands and iPod music are the preferable forms of entertainment at this property.
