

ANGTHONG  
VILLA | SAMUI

## YOUR WEDDING

An enviable beachside location makes Angthong Villa an extraordinary venue for a dream wedding, cocktail party or special event. Unlike other properties, the villa has an exclusive landscaped garden to its left, especially for this purpose. Imagine taking your vows in this magical setting, right next to the beach, with no other sound but the splashing of the waves and the beating of your heart.

The tropical setting is also ideal for other events such as cocktail parties and corporate meets, accommodating up to 160 people. With no immediate neighbours, it is blissfully private, while boasting of endless sunset views over the Gulf of Siam.

A glorious 19-metre pool stretches from the main building, reaching out towards the beach and the blue waters beyond. With sunken bar stools and poolside salas, it makes for a dramatic venue for smaller gatherings.

Up to 10 event guests can be accommodated for overnight stays at the villa, while we'd be pleased to help arrange bookings in luxury villas nearby if more places to stay are required. Check with Elite Havens for more details on the available options.

These guidelines are specific to Angthong Villa and Event Organisers (EOs) and their clients considering holding an event here should read this in conjunction with Elite Havens [General Guidelines for Event Management](#).

## WEATHER

Events at Arcadia can be held any time of year though it's best to avoid the monsoon months of October to December. EOs are advised to consider rainy season conditions and plan accordingly for events.

# EVENT FACILITIES

## EVENT SPACE

Angthong Villa offers a range of spectacular event spaces. A large lawned area on the left side of the villa is earmarked for this purpose. It is sea facing and leads directly onto the white sandy beach. It also has a prebuilt bar area on one side, ideal for catering and setting up the F&B. Other options include the beachfront poolside, dotted with salas and lawned gardens as well as a lovely terrace for small gatherings.

## GUEST WASHROOMS

There are two bathrooms available for event guests at Angthong Villa, found next to the poolside sala. Use of the private bathrooms in the villa's guest bedrooms is prohibited unless prior arrangements for access have been made. EOs are advised to arrange for portable toilets if more bathroom facilities are needed.

## REGULATIONS AND RESTRICTIONS

Interior furnishings should not be moved or removed, and no additional infrastructure should be brought into these areas. All interior floors should be protected with carpets provided by the EO.

Bedrooms are for the use of resident guests only, unless access has been arranged with prior approval. Otherwise, we recommend these to be locked during the course of an event for security. Smoking is not permitted inside the villas.

Marquees are highly recommended during the monsoon period of October through December. These are also recommended as a back-up during other seasons due to unpredictable weather. Marquees must be free-standing.

Staging ceremonies on a platform over the pool is permitted but subject to prior approval.

Use of fireworks, candles, floating lanterns, sky lanterns, fire shows and pets/animals are strictly prohibited, unless written approval has been given by the local authorities, and such approval has been submitted to Elite Havens. Any fees involved are to be paid to the local authorities directly.

It is prohibited in Thailand to use drones without proper registration and licensing. Each drone must be registered by the CAAT (Civil Aviation Authority of Thailand) and the Radio and Telephone department and have valid annual insurance. EOs are expected to comply with this regulation and must inform Elite Havens should they be using drones in the event.

EOs are to be on site at all times during the event including the preparation and dismantling periods. Sub-contractors will not be allowed on site without an EO present.

EOs are to establish security procedures together with villa staff before the event, and must supply lists of suppliers that need access to the villa

## KITCHEN AND BAR

The villa's own kitchens and dining facilities are not to be used for events. EOs are requested to set up their own facilities for catering, dining, bar service and event guest seating. Floors and walls of the selected catering area are to be properly protected with coverings, particularly against food and oil spillage.

## PARKING

Outside parking is available for up to 2 cars. The villa's parking area is to be kept free for guests' arrival and departure, so EOs and suppliers are asked to avoid parking on site. Vehicles are permitted for a one-hour period of loading and unloading but should be off-site at least one hour before the event.
