

ARCADIA

AT CAPE LAEM SOR ESTATE

YOUR WEDDING

Arcadia at Cape Laem Sor Estate offers an exceptional venue for a wedding or special event, with its amazing sea views and secluded setting on a headland overlooking the sea. Found in a private estate on Koh Samui's south coast, this vibrant five-bedroom villa is a picture of elegance and tropical beauty with spacious seaview terraces and a 25-metre infinity pool.

Up to 10 event guests can be accommodated for overnight stays at the villa, while we'd be pleased to help arrange bookings in luxury villas nearby if more places to stay are required. Check with Elite Havens for more details on available options.

These guidelines are specific to Arcadia at Cape Laem Sor Estate and Event Organisers (EOs) and their clients considering holding an event here should read this in conjunction with Elite Havens [General Guidelines for Event Management](#).

EVENT FACILITIES

EVENT SPACE

With spectacular views from its tropical headland setting, Arcadia offers a gorgeous and elegant venue for a wedding, cocktail party or family gathering. The outdoor entertaining area, 25-metre infinity pool and terrace offer ample space for event guests to mingle and enjoy the breathtaking vista of sea and sky. Access is by a stone staircase or glass elevator.

GUEST WASHROOMS

There is a bathroom available for event guests at Arcadia, found behind the kitchen. Use of the private bathrooms in the villa's guest bedrooms is prohibited unless prior arrangements for access have been made. EOs are advised to arrange for portable toilets if more bathroom facilities are needed.

REGULATIONS AND RESTRICTIONS

Interior furnishings should not be moved or removed, and no additional infrastructure should be brought into these areas. All interior floors should be protected with carpets provided by the EO.

Bedrooms are for the use of resident guests only, unless access has been arranged with prior approval. Otherwise, we recommend these to be locked during the course of an event for security. Smoking is not permitted inside the villas.

Marquees are highly recommended during the monsoon period of October through December. These are also recommended as a back-up during other seasons due to unpredictable weather. Marquees must be free-standing.

Use of fireworks, candles, floating lanterns, sky lanterns, fire shows and pets/animals are strictly prohibited, unless written approval has been given by the local authorities, and such approval has been submitted to Elite Havens. Any fees involved are to be paid to the local authorities directly.

EOs are to be on site at all times during the event including the preparation and dismantling periods. Sub-contractors will not be allowed on site without an EO present.

EOs are to establish security procedures together with villa staff before the event, and must supply lists of suppliers that need access to the villa.

KITCHEN AND BAR

The villa's own kitchens and dining facilities are not to be used for events. EOs are requested to set up their own facilities for catering, dining, bar service and event guest seating. Floors and walls of the selected catering area are to be properly protected with coverings, particularly against food and oil spillage.

PARKING

Outside parking is available for up to 2 cars. The villa's parking area is to be kept free for guests' arrival and departure, so EOs and suppliers are asked to avoid parking on site. Vehicles are permitted for a one-hour period of loading and unloading but should be off-site at least one hour before the event.
