Event Facilities

Kitchen and Bar

The villa's own kitchens and dining facilities are not to be used for events. EOs are requested to set up their own facilities for catering, dining, bar service and event guest seating. Floors and walls of the selected catering area are to be properly protected with coverings, particularly against food and oil spoilage.

Guest Washrooms

Use of the ensuite bathrooms in the villa's guest bedrooms is prohibited unless prior arrangements for access have been made.

Parking

EOs and suppliers are asked to avoid parking on site for guests' arrival and departure. Vehicles are permitted for a one-hour period of loading and unloading but should be off-site at least one hour before the event.

Regulations and Restrictions

Interior furnishings should not be moved or removed, and no additional infrastructure should be brought into these areas. All interior floors should be protected with carpets provided by the EO. Dance floor and platform protection for the bar is mandatory.

Bedrooms are for the use of resident guests only, unless access has been arranged with prior approval. Otherwise, we recommend these to be locked during the course of an event for security. Smoking is not permitted inside the villa.

Marquees are highly recommended during the monsoon period of May until November. These are also recommended as a back-up during other seasons due to unpredictable weather. Marquees must be free-standing. Back-up generators for the event are mandatory.

It is prohibited in Thailand to use drones without proper registration and licensing. Each drone must be registered by the CAAT (Civil Aviation Authority of Thailand) and the National Broadcasting and Telecommunications Commission (NBTC) and have valid annual insurance. EOs are expected to comply with this regulation and must inform Elite Havens should they be using drones in the event.

Staging ceremonies on a platform over the pool is permitted but subject to prior approval. Any platforms stages etc., that require construction or assembly, should be presented in writing with related drawings/plans one month in advance of the event for approval. Floating objects are not allowed in the pool.

Use of fireworks, candles, floating lanterns, sky lanterns, fire shows and pets/animals are strictly prohibited, unless written approval has been given by the local authorities, and such approval has been submitted to Elite Havens. Any fees involved are to be paid to the local authorities directly.
