

NAAM SAWAN EVENT GUIDELINES

ELITE HAVENS

Introduction

With magical sea views and a gorgeous tropical setting along Phuket's quiet east coast, Cape Yamu is an enchanting place to hold a wedding or event. Cape Yamu is home to some of the island's most spectacular holiday homes, with The Cape Residences estate offering award-winning, exquisite villa retreats and romance in ultra private surrounds.

Naam Sawan offers a four-bedroom escape. With its fabulous 30-metre pool, the terrace at Naam Sawan is a sensational venue for dinner receptions and gatherings of family and friends.

Create a scene that is both romantically tropical yet formal, by holding your wedding ceremony at the Chapel and the wedding reception at the villa.

Check with Elite Havens for more details on all the available options. These guidelines are specific to events at all properties/venues within The Cape Residences, and Event Organisers (EOs) and their clients considering holding an event here should read this in conjunction with Elite Havens General Guidelines for Event Management.

Weather

Events in Cape Yamu can be held any time of year though the most ideal conditions are during the drier months of December through March. EOs are advised to consider rainy season conditions and plan accordingly for events.
