

VILLA AMANZI KAMALA EVENT GUIDELINES

ELITE HAVENS

Introduction

A designer villa set over three levels with spectacular sea and sunset views, six-bedroom Amanzi Kamala is an awe-inspiring holiday retreat. Found near Kamala Beach within an exclusive private estate, the villa blends intriguing modern design with its gorgeous tropical hillside setting to stunning effect.

A 15-metre pool forms the heart of the villa, while expansive living spaces offer the perfect party pad, or simply a haven for some blissful relaxation with family and friends. A family/games room, guest kitchen and jacuzzi offer added flourishes of luxury, and dedicated villa staff, including a professional chef, provide five-star service.

These guidelines are specific to Amanzi Kamala, and Event Organisers (EOs) and their clients considering holding an event here should read this in conjunction with Elite Havens General Guidelines for Event Management.

Weather

Events at Amanzi Kamala can be held any time of year, though the best conditions are during the drier months from November to April. EOs are advised to consider rainy season conditions and plan accordingly for events.

Event Space

The spectacular sea view infinity pool offers a dramatic backdrop for events at the villa. Events can be organised around the pool deck, spilling onto lawned gardens, all with breathtaking views. At one end, a slightly raised opensided pavilion offers the perfect spot for sunset cocktails.

Event Facilities

Kitchen and Bar

The villa's own kitchen and dining facilities are not to be used for events. EOs are requested to set up their own facilities for catering, dining, bar service and event guest seating.

Guest Washrooms

Though there is one bathroom available for event guests at Amanzi Kamala, on the same level as the indoor living areas, we recommend setting up portaloos for the duration of the event. Use of the ensuite bathrooms in the villa's guest bedrooms is prohibited unless prior arrangements for access have been made.

Parking

The villa's parking area is to be kept free for guests' arrival and departure, so EOs and suppliers are asked to avoid parking on-site. Vehicles are permitted for a one-hour period for loading and unloading but should be off-site at least one hour before the event. Guest parking in the estate during the event may be arranged with advance notice.

Regulations and Restrictions

Indoor living and dining areas can be used for welcome drinks but should not be used as main event spaces. Interior furnishings should not be moved or removed, and no additional infrastructure should be brought into these areas. All floors should be protected with carpets provided by the EO.

Bedrooms are for the use of resident guests only. We recommend these to be locked during the course of any event. Smoking is not permitted inside the house.

Marquees are recommended as a backup during certain seasons (from April until November) and must be freestanding. The lawn must be protected with flooring at all times. Backup generators are also recommended.

Staging ceremonies on a platform on the pool are permitted with prior approval.

It is prohibited in Thailand to use drones without proper registration and licensing. Each drone must be registered by the CAAT (Civil Aviation Authority of Thailand) and the National Broadcasting and Telecommunications Commission (NBTC) and have valid annual insurance. EOs are expected to comply with this regulation and must inform Elite Havens should they be using drones in the event.

Fireworks, candles, floating lanterns, fire shows and pets/ animals are strictly prohibited.

EOs are to establish security procedures together with villa staff before the event, and must supply a list of suppliers that need access to the villa.
