## WEATHER

Events at Villa Nautilus can be held any time of year though the most ideal conditions are during the drier months of December through March. EOs are advised to consider rainy season conditions and plan accordingly for events.

## EVENT SPACE

With its three levels of terracing over the hillside, including a pool terrace on the top floor, Villa Nautilus is a heavenly venue for a wedding, cocktail party or family gathering. The 25-metre infinity pool surrounded by tiled and wooden decking extends from the glass-fronted living pavilion, offering spectacular views across the sea and forested hills of Phuket's east coast. A few steps down is another generous sea-view terrace with the four-hole golf putting green and a sunken lounge seating area, connected by steps to a third terrace on the bottom floor.

## EVENT FACILITIES

### KITCHEN AND BAR

The villa's own kitchens and dining facilities are not to be used for events. EOs are requested to set up their own facilities for catering, dining, bar service and event guest seating. Floors and walls of the selected catering area are to be properly protected with coverings, particularly against food and oil spoilage.

### GUEST WASHROOMS

There is a bathroom available for event guests at Villa Nautilus, found behind the TV room in the main living pavilion on the top floor. Use of the private bathrooms in the villa's guest bedrooms is prohibited unless prior arrangements for access have been made.

EOs are required to set up portaloos if there are more than 50 guests on the event. It is also the EO's responsibility to maintain the cleanliness of the washrooms.

### PARKING

Outside parking is available for up to 10 cars, including 2 covered car park areas.

## REGULATIONS AND RESTRICTIONS

Interior furnishings should not be moved or removed and no additional infrastructure should be brought into these areas. All interior floors should be protected with carpets provided by the EO.

Bedrooms are for the use of resident guests only, unless access has been arranged with prior approval. Otherwise, we recommend these to be locked during the course of an event for security. Smoking is not permitted inside the villa.

Marquees are highly recommended during the monsoon period of April until November. These are also recommended as a back-up during other seasons due to unpredictable weather. Marquees must be free-standing. Back-up generators for the event are mandatory.

Staging ceremonies on a platform over the pool is permitted but subject to prior approval.

Use of fireworks, candles, floating lanterns, sky lanterns, fire shows and pets/animals are strictly prohibited, unless written approval has been given by the local authorities, and such approval has been submitted to Elite Havens. Any fees involved are to be paid to the local authorities directly.

EOs are to be on site at all times during the event including the preparation and dismantling periods. Sub-contractors will not be allowed on site without an EO present.

EOs are to establish security procedures together with villa staff before the event, and must supply lists of suppliers that need access to the villa.
