Event Space

Several enchanting outdoor venues are available for dining and special setups at Villa Thansamaay. These include the outdoor terrace, beachfront lawn, and gardens with a pool, all offering a romantic view.

Event Facilities

Kitchen and Bar

The villa's own kitchens and dining facilities in living room are not to be used for events but we have space around Villa 3 that can be the kitchen space for catering. EOs are requested to set up their own facilities for catering, dining, bar service and event guest seating. Floors and walls of the selected catering area are to be properly protected with coverings, particularly against food and oil spoilage.

Guest Washrooms

There is a bathroom available for event guests in common toilet beside the pool at Villa Thansamaay. Use of the private bathrooms in the villa's guest bedrooms is prohibited unless prior arrangements for access have been made. EOs are advised to arrange for portable toilets if more bathroom facilities are needed.

Parking

Outside parking is available for up to 2 cars in the villa car port. EOs and suppliers are asked to avoid parking onsite. Vehicles are permitted for a one-hour period of loading and unloading but should be off-site at least one hour before the event.

Regulations and Restrictions

Interior furnishings should not be moved or removed and no additional infrastructure should be brought into these areas. All interior floors should be protected with carpets provided by the EO. Dance floor and platform protection for the bar is mandatory.

Bedrooms are for the use of resident guests only, unless access has been arranged with prior approval. Otherwise, we recommend these to be locked during the course of an event for security. Smoking is not permitted inside the villa.

Marquees are highly recommended during the monsoon period October through December. These are also recommended as a back-up during other seasons due to unpredictable weather. Marquees must be free-standing. Back-up generators for the event are mandatory.

Staging ceremonies on a platform over the pool is not permitted but subject to prior approval.

Use of fireworks, candles, floating lanterns, sky lanterns, fire shows and pets/animals are strictly prohibited, unless written approval has been given by the local authorities, and such approval has been submitted to Elite Havens. Any fees involved are to be paid to the local authorities directly.

EOs are to be on site at all times during the event including the preparation and dismantling periods. Sub-contractors will not be allowed on site without an EO present.

EOs are to establish security procedures together with villa staff before the event, and must supply lists of suppliers that need access to the villa.
