

THE PINES EVENT GUIDELINES

ELITE HAVENS

Introduction

The Pines is a swanky property located right on the beach in Phuket. An undeniably enchanting venue, it opens up onto a pristine beach, with the sound of surf in the background and tall palm trees swaying in the sea breeze.

Its classy wooden finish and breathtaking sea views also make it popular for photoshoots, besides events such as weddings, retreats and celebrations.

The space is very social and laid-back, and the beachfront setting makes it an ideal choice for barefoot celebrations.

These guidelines are intended to give Event Organisers (EOs) and their clients guidance specific to The Pines and should be read in conjunction with Elite Havens General Guidelines for Event Management.

Weather

Events at The Pines can be held any time of year, though the best conditions are during the drier months from November until April. EOs are advised to consider rainy season conditions and plan accordingly for events.

ELITE HAVENS

Event Space

The spectacular sea view infinity pool offers a dramatic backdrop for events at the villa. The spacious outdoor deck serves as a party pavilion, and there is ample space on the beachfront lawn for guests to spread out. Alternatively, a formal, sit-down dinner for up to 60 guests can be arranged under the shade of the trees and around the pool.

A heightened stage over the pool or next to the beach would make the perfect podium for ceremonies, against the backdrop of the turquoise Andaman Sea and the villa beautifully lit like a fairy castle.

Event Facilities

Kitchen and Bar

The villa's kitchen and dining facilities are not to be used for events. EOs are requested to set up their own facilities for catering, dining, bar service and event guest seating.

Guest Washrooms

We recommend setting up portaloos for the duration of the event. Use of the ensuite bathrooms in the villa's guest bedrooms is prohibited unless prior arrangements for access have been made.

Parking

The villa's parking area is to be kept free for guests' arrival and departure, so EOs and suppliers are asked to avoid parking on-site. Vehicles are permitted for a one-hour period for loading and unloading but should be off-site at least one hour before the event.

ELITE HAVENS

Regulations and Restrictions

The indoor living area can be used for tea ceremonies only. The living room is to be protected with felt flooring, if used. Other indoor living spaces are not to be used for events. Indoor furniture is not to be moved.

Bedrooms are for the use of resident guests only. We recommend these be locked during the course of any event. Smoking is not permitted inside the house.

It is prohibited in Thailand to use drones without proper registration and licensing. Each drone must be registered by the CAAT (Civil Aviation Authority of Thailand) and the National Broadcasting and Telecommunications Commission (NBTC) and have valid annual insurance. EOs are expected to comply with this regulation and must inform Elite Havens should they be using drones in the event.

Backup generators are mandatory. Staging ceremonies on a platform atop the pool are permitted with prior approval. Fireworks, candles, floating lanterns, fire shows and pets/animals are strictly prohibited.
